Sinatra the Musical

Start spreadin' the news, the king of swing is back!

Thursday 5th November 2026

Join us for the day as we journey to London and to the Aldwych Theatre to see Sinatra the Musical, or if you prefer, enjoy the day at leisure.

It is New Year's Eve, 1942, and a skinny 27-year-old Italian American singer is about to step onto the stage of New York's Paramount Theatre and give a performance that will change music history.

As Frank Sinatra's career suddenly skyrockets, he struggles with balancing the love of his wife, Nancy, against the demands and temptations of being the most popular singer in America. But when he begins a torrid affair with movie goddess Ava Gardner, his records stop selling and the press turns against him, sending his career into a tailspin.

Driven by his devotion to his family, Sinatra employs his peerless artistry and dogged determination to stage the greatest comeback in showbiz history.
